LIEUTENANT GOVERNOR’S INAUGURAL STATEMENT

(BOISE) – Lieutenant Governor Brad Little issued the following statement on the occasion of his inauguration today to a full four-year term. Lieutenant Governor Little initially was appointed by Governor C.L. “Butch” Otter to fill the vacancy left by the election of Jim Risch to the United States Senate in 2008. He was elected to the office of Lieutenant Governor on November 2, 2010.

“I am honored to be entrusted with the responsibility of serving the people of Idaho. There is much work to be done in both the Legislative and Executive branches. I look forward to presiding over the Senate and anticipate working with both bodies. First and foremost, we will work diligently to continue to create economic opportunities for our citizens, while being fiscally responsible, and seeking common-sense solutions to the issues facing Idaho today and into the future.”
