LIEUTENANT GOVERNOR LITTLE COMMENTS ON SENATOR MCCLURE

(BOISE) – Lieutenant Governor Brad Little issued the following statement today in reaction to the death of former U.S. Senator James McClure.

“It is a sad day with the loss of this uncommonly humble and dedicated public servant. Jim McClure epitomized conservative, yet pragmatic, effective leadership for both Idaho and America. Jim and Louise will long serve as a model for many who aspire to public service. Teresa and I extend our deepest sympathy to Louise and the McClure family.”
